# **YOSHITO USUI**

## **1958-2009**

It is not easy to write something sad about someone who has made so many laugh. Just as we are preparing to go to press with volume 10 of **CRAYON SHINCHAN**, news reached us about the passing of Shin-chan's creator, Yoshito Usui. He was 51 years old.

His most famous creation appeared in 1990, in the pages of *Weekly Manga Action*, published in Japan by Futabasha. The outrageous five-year-old's predilection for malapropisms and rude public behavior, as well as his obsession with bodily parts and their functions, made him an immediate hit with readers. It wasn't long before his adventures made their way to the realm of animation. Soon, Shin-chan became famous around the world and he eventually made his way to America. His animated adventures were adapted by Funimation and have appeared on Adult Swim and are currently available on DVD. We have been pleased to be the American publishers of the original manga series since 2007, following a short run with Comics One.

While much of Shin-chan's humor was specific to Japan, his outrageous hijinks have had universal appeal. Usui-sensei gave the world the gift of laughter, which is an important accomplishment indeed. There are many, many volumes of **CRAYON SHINCHAN** still to be translated, so Yoshito Usui's vision will be shared with the world for some time to come, keeping his spirit very much alive.

But we pause now to note our sorrow at his passing and to extend our condolences to his family, friends and professional colleagues. Farewell, Yoshito Usui and thank you for the gift of laughter.

**SHIN DOES THE TIME WARP! WILL HE STINK  
UP HISTORY BY GOING POTTY IN THE PAST?**

# CRAYON Shinchan

**By Yoshito Usui.** Get ready for an epic Shinchan adventure! Only Shinnosuke could open up a doorway to the past by digging a hole in the back yard! The Noharas find themselves back in Japan's Civil War Era, in the middle of a siege on a castle. A guy by the name of Stinkpoop and his similarly monikered lackeys are out to kidnap a princess in exchange for a valuable, ancient scroll. It's up to Shin and his family to save the day! But will their actions in the past turn the present into a big mess?

**On sale April 2010!**

# Meet the Noharas!

**SHINNOSUKE NOHARA**

**MITZI NOHARA**

**HIRO NOHARA**

**SHIRO**

**(aka: Shin, Shin-chan, Shin chan, Shinchon)**

5 years old. Likes pretty girls, drawing on himself, rolling around on the floor, and eating a tasty snack called Chocobi. Frequently uses both words and his Mom's clothing in inappropriate ways. Also obsessed with bodily functions – his own and others'.

**(aka: Misae)**

Shin's easily frustrated mom. She's a stay-at-home housewife with the misfortune of being Shin's full-time caretaker. Mitzi hasn't done much better in the husband department either, as Shin's Dad's behavior has to be closely monitored too. Frequently fantasizes about a better life.

**(aka: Hiroshi)**

A browbeaten "salary man" who is the family's sole breadwinner. He's low on the totem pole at work and doesn't get much respect at home either. Like son, like father: Hiro has the eye for the pretty girls too, and Mitzi's none too tolerant of it. He talks a lot in his sleep, which doesn't help things much.

Stray dog that Shin found and brought home. Somehow, he managed to convince Mitzi that if she let him keep the dog, he'd take care of it. Want to guess how that's working out? But taking care of Shiro is always a convenient excuse when Mom wants some even more unpleasant chore to get done.

# It's Always Fun in the Sunflower Class!

Life as a kindergarten student is an adventure when Shinchan is in your class! Let's meet some of his friends...and his teacher.

**NENE SAKURADA**

A good little girl who tries to be patient with Shin, but who's always fearful of trouble ahead. Shin's encounters with Nene's mom usually end with Mrs. Sakurada dropping her mild-mannered exterior, leaving Nene traumatized by her sudden change in character. ("You're not my real mommy!")

**TORU KAZAMA**

A legend in his own mind, Kazama considers himself to be wiser, worldlier, and certainly classier than anyone else. Naturally, he regards Shin as an uncouth menace to society and criticizes him frequently—which of course just goes right over Shin's head.

**MASAO**

Poor Masao. He's a shy kid and a bit of a nervous wreck. Shin's influence doesn't really help him with his "issues." He always tries to draw Masao into activities that would make even stronger children cringe. Masao just cries. Destined to spend a lot of time in therapy.

**MS. YOSHINAGA**

Dedicated Sunflower class teacher who has been cursed to have Shin as one of her students. Other than Mitzi, no one has to put up with more abuse from Shin. Her arch rival is Ms. Matsuzaka from the Rose Class.
